Executive Board Meeting Minutes

Bylaws Review, Update and approval.

Budget Approval

Band Banquet- Approval of form and menu. There will be a different process for awards. In past years awards took a very long time.

Home Show-We had great volunteering and donations! Profits were not as good this year because of the time we held the show and the number of bands coming from far away(their kids ate on the bus). In the future we need some people to stay in the chorus room(hospitality area) so that items don't get stolen.

Other issues for shows- How can we use teenagers who show up to help?, How to get props on field and water to our band.

Halloween Parade-No hotdogs after the parade, maybe snacks for the bus. Will we be handing out candy at the parade-check with Bobby Sherretz.

Caitlyn Shepski-Approval to front deposit for Aladdin tickets and then she will reimburse boosters.
