

SHOP WITH SCRIP

We have an exciting opportunity to raise money for WSMB and YOUR STUDENT ACCOUNT! By partnering with <https://shop.shopwithscrip.com> to purchase gift cards from over 400 local retailers, your EVERYDAY and HOLIDAY purchases can earn money! For those who have joined in past years, this is a NEW, IMPROVED program that allows us to keep more money through limited fees and no sign-up cost. Nearly every major chain in our area participates in the program--from Starbucks to WalMart and Boscov's to Best Buy; Amazon to Airbnb. Even airlines participate!

WHAT IS IT?

After setting up an account on <https://shop.shopwithscrip.com/Login/Enroll> purchase gift cards on line to use for everyday items or to give as gifts. A portion of the gift card value (rebate) goes directly to WSMB--50% of the rebate will be kept by WSMB and 50% will be credited to YOUR student's account! It's similar to the grocery card program, but with hundreds of retailers to choose from and instant download available!

Going shopping on Black Friday? Download your gift cards before heading out and use for your holiday purchases. If you like to use credit cards for discounts, most retailers will let you put just one item on your credit card and use gift cards for the rest of the purchase to get the discount or "cash back" promotion.

HOW IT WORKS:

Except for Christmas time, we will be ordering only ecards, NOT physical gift cards. So, you go online and set up an account (see link above).

Our enrollment code is 5B899DL65L579

After enrolling, go to Payment options on your Dashboard and select PrestoPay--this links your bank account to the shopwithscrip account for automatic payment--no checks to write nor administrative turn-around to get your gift cards (if you are a member of a local bank allow 1-2 days to be set up. Otherwise, large banks like PNC are participants and quicker). Purchase ecards from the ScripNow retailers any time (or from all retailers until Nov 30th--see below). Each transaction costs 15 cents whether you order just one gift card or more. (it's best to order a bunch at a time and pay just 15 cents than one at a time for the same transaction fee).

You can then print out your gift card if required OR if the retailer participates in mobile service, the card can be added to your MyScripWallet app (not the iPhone wallet app) and be transported on your smart phone to the retailer. Make your purchases and present your printed card or your electronic bar code from your phone at the checkout. If buying online, just enter the gift card code at checkout. EASY! It's money in the bank every time you shop--wherever you shop!

SPECIAL CONSIDERATIONS:

--Check out ScripNow retailers on the website to see how many of your purchases are available through ecards!

--Anyone can sign up to earn money for YOUR KID and WSMB! Grandma in Connecticut and your best friend in California can get an account and link it to your child.

--Try it out! If you find it doesn't work for you, then you can cancel your account. But if you participate in the grocery card program, you know that each purchase is earning money for YOU and WSMB. And you don't have to wait for delivery of cards.

--Your bank info and purchases are secure--WSMB does not have access to your information. It is used by shopwithscrip for ACH withdrawal to pay for the cards--just like if you have online billing for utilities or if you get a paycheck electronically.

--WSMB gets paid every Monday for purchases the week before.

TUESDAY NOVEMBER 20TH IS THANK-SCRIP-ING DAY!

An opportunity to earn up to 26% in bonus rebates for various retailers for your holiday shopping! Log on to shopwithscrip after 1200 am on 11/20 and check out who is offering big rebates and order your cards before 11:59 pm to get even more cash back! There are also special promotions by retailers throughout the year for extra rebates so sign up for email alerts.

Physical Gift Cards for Christmas (over 700 retailers participate in this part of the program, so there are more choices!): If you would like to purchase physical gift cards, I will be accepting orders until Friday November 30th through the website. Pay as you would for ecards through PrestoPay and I will send the order in. Anticipated delivery will be at the Winter Concerts for Red Land on Tuesday, December 18th at 6:30 pm and at Cedar Cliff on Wednesday, December 19th at 6:00 pm. (Please note that in order to get the cards shipped in time for delivery, orders for physical cards will not be honored after Nov 30th, but you can still order ecards anytime to print for gift giving).

SIGN UP TODAY TO LINK YOUR ACCOUNT SO YOU CAN START SAVING ON BLACK FRIDAY! (some banks have a 2 step process to set up PrestoPay so sign up now)

If you have questions, the website is a great resource with instructional videos and easy-to-follow directions. Representatives are available to chat online or by phone and are extremely helpful.

Email me with additional questions you may have.
