How To Order

Simply use the storefront to place your order, and during checkout you will be asked to choose which organization your order will benefit! It doesn't matter if they're actively Fundraising right now or not! Your order always supports your organization anytime!

Place your order **on-line** and make sure to select **WS Music Boosters** on the billing page and **enter the WSMB member** you are supporting as the fundraising contact. This will ensure the student receives credit AND all the orders placed are grouped under his/her name. All deliveries will be made to CMS for WSMB members to pick up and deliver.
